

Big Bore Tour

January 9-14, 2022

As the name suggests, this trip is about spirited riding, big miles and smooth trails. For 2022 we have added a new outfitter to the BBT, Mont-Vilain located in Lamarche.

Participants must be skilled riders with up-to-date sleds and must be prepared to safely operate a snowmobile on groomed trails at speeds ranging from 45 – 70+ mph.

Expect to be outside on the sled for up to nine hours each day. You should be knowledgeable about your machine, proficient at problem solving and flexible.

The starting point is two hours north of Montreal. This trip is a large undertaking, with much of it taking place in some of the most remote regions of Quebec.
