

Kristina's Big Bore Tour

February 20-25, 2022

This trip combines two important activities, long distance riding and indulging in fine cuisine in a refined setting.

For this trip, we have included two stops normally found on our Gourmet Tours.

Participants must still be skilled riders with up to date sleds and be prepared to safely operate a snowmobile on groomed trails at speeds ranging from 45 – 70+ mph.

Expect to be outside on the sled for up to nine hours each day. You should be knowledgeable about your machine, proficient at problem solving, flexible and enjoy good food.
