

The Winter Romance

February 10-12, 2021

This is a great opportunity to introduce your significant other to the magic of how Quebec celebrates winter.

Previous experience with snowmobiles is not required and two-up riding is common. Participants should be prepared to safely operate a snowmobile on groomed trails at speeds ranging from 30 – 40 mph. Expect to be outside on the sled for seven hours each day, where you will see nature and the outdoors in a most unique way.

A typical day on this tour would be to meet for breakfast at 7am and be on the trail by 8:30. The lunch stop is at a "relais" or restaurant where you have time to relax for a while. The afternoon segment of the day has a stop or two planned for pictures, fuel & bathroom breaks. Arrival at the destination occurs by early evening. After settling in to the room, most people relax and shower and then join the others for refreshment before dinner.
